Dear Patient,

Re: Cricklewood GP Health Centre relocation from Britannia Business Centre, Cricklewood Ln, London NW2 1DZ to 10 Oaklands Road, Cricklewood, NW2 6DH

In June you were contacted by North Central Clinical Commissioning Group to inform you of our intended move to our new premises from August 2022.

Unfortunately, due to unforeseen delays in the construction schedule, our new premises will not be ready for use on this date.

We will now be relocating to our new location in mid-autumn.

We will send you a communication again when we have a confirmed move date.

What does this mean for patients?

You do not need to do anything. There is no change to your current GP services.

After the move is completed, you will continue to be registered with our practice and you will be able to access GP services in the same way as you do now but at the new location.

The Practice telephone number will remain the same **0203 826 8084** and the opening hours will remain the same.

All our GPs and staff will remain the same and we will continue to offer the same services at the new location.

If you have any queries, please email us at cricklewood.healthcentre@nhs.net or call our Reception on 0203 8268084.

Kind regards,

Cricklewood Health Centre
