## PATIENT PARTICIPATION GROUP (PPG) MEETING

**We will be hosting a PPG meeting at the practice on  
Thursday 23rd June 2022 at 3pm.**

We would encourage as many patients as possible to attend to help us shape how we run the practice.

At this meeting we will be discussing our appointment provision, particularly our extended hours, and a potential name change. We would love to hear your thoughts.

If you would like to attend the meeting remotely, please email [cricklewood.heathcentre@nhs.net](mailto:cricklewood.heathcentre@nhs.net) with your details.

## PRACTICE DEVELOPMENTS

Our Clinical team remain at the Practice, with Dr Routledge and Dr Sawacha and Nurse Bhimla Baungally available every day of the week for appointments. We have increased our Reception and Administration team to meet patient demand and improve response times.

Our practice relocation will happen at the beginning of August 2022. We are very excited for this project which will provide additional clinical rooms and newly refurbished premises for our patients, less than 5 minutes walk from our current location.
